Dear Rio Arriba County Fair Exhibitors and Guests,

On behalf of the Rio Arriba County Fair Association "WELCOME" to 2012 Rio Arriba County fair.

I would like to take this opportunity to express my gratitude for making the 2011 Rio Arriba County Fair a huge success. I hope that your experience was fun, entertaining and memorable.

Every year the County Fair brings local FFA and 4-H clubs together, as well as attracting supporters, business and exposure to the event.

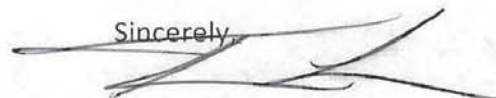

In 2011 the Showdown "N Old Abiquiu brought nearly 1,000 spectators from Rio Arriba and neighboring Counties as well as dozens of contestants from New Mexico and surrounding states.

These events also brought much needed business and positive recognition to the county while creating an environment filled with culture, traditions, values and community togetherness.

The Rio Arriba County Fair has progressed over the years and continues to grow with the generosity of sponsors. Without sponsorships, donations and community involvement these community events would not be possible. The Showdown and the Annual County Fair & Livestock Auction are successful examples of what the community can accomplish together. We humbly thank all our supporters.

The Rio Arriba County Fair is the result of months of planning and preparation by the volunteers who serve on the Rio Arriba County Fair Association and the many volunteer leaders, superintendents, coaches, and instructors of the 4-H and FFA programs. Their support and commitment to excellence are truly what makes our fair one of the outstanding events in the state. I would like to personally thank all members of the Fair Association for their dedication and support while serving on committees and volunteering with other activities which support the Fair. Finally, I would like to thank the New Mexico State University Cooperative Extension staff, and all the Rio Arriba County employees who support our efforts through hard work, and dedication to make the Rio Arriba County Fair a success for the youth and community. With much humbleness, respect and appreciation, I would like to thank you for making this year's Rio Arriba County Fair a successful event and for supporting your local FFA and 4-H clubs.

Sincerely,

A handwritten signature in black ink, appearing to read 'Travis Law', written over a horizontal line.

1. Judging system will be Modified Danish System in all categories including livestock (The difference between the Danish and Modified Danish system is the degrees of specificity in the number of exhibits distributed between the Blue, Red, White, and no awards groups. In the Danish System exhibits are generally assigned an award based on a numerical score for blue, red, and white ribbons. When the Modified Danish System is employed individual entries or contestants

within each group are further ranked in relation to their relative standing within each group giving strict adherence to a standard of characteristics for a blue, red, or white ribbon that is used by the judge). Awards: Blue, Red, White, Best of Show, Grand Champion Rosette, Reserve Grand Champion Rosette and/or Buckle.

2. In addition to ribbons, trophies will be awarded to High Point 4-H Home Economics, Horticulture and General Indoor Exhibits in Novice, Junior and Senior Divisions.

3. No person shall act as a judge/superintendent at the Fair in any division in which he or she is a member or his immediate family is an exhibitor.

4. Separate Junior Open and Adult Open designation applies to all lots in Departments J, K, and L.

Violators of this rule shall face immediate exclusion from judging area and entry would face immediate expulsion from the Rio Arriba County Fair and forfeiture of entry fees and premium money.

8. Judges shall sign the award book after verifying the recordings of clerk and superintendents immediately after the close of awards in each class.

9. The decision of the judge is final, allowing only formal appeal as is indicated in the rules following.

Protests and Appeals Judges Decisions

All appeals must be made in writing, and filed with the respective County Fair Superintendent immediately. Concern will be brought to the attention of the Fair Association. Selective department rules shall be referenced and govern the event.

2. All disputes not covered by these rules shall be referred to the Rio Arriba County Fair Superintendent.

General Livestock Rules

1. No animals will be allowed to unload on fairgrounds until they have been inspected by the veterinarian and livestock inspector. Animal(s) unloaded without inspections will be banned from the fairgrounds. All animals with communicable diseases may not unload.

Mexico relating to animal health and brand inspection. For updated information please contact the NM Livestock Board at 505-861-6161.

The Rio Arriba County Extension Service reserves the right to refuse entry in future years to an exhibitor who fails to give proper care to his or her animal(s) until released.

5. Each exhibitor is responsible for the care, showing and selling of his/her own animal until the Superintendent has issued a release. It is the responsibility of the owner to see that sale animals are delivered to buyer or correct packer.

6. Exhibitors of livestock are primarily responsible for the grooming of their livestock. Adults, junior leaders and others may assist younger people in preparing their animals for show. If instruction and assistance is required, the exhibitor must be present and involved. If exhibitor has more than one animal in a class, they may have another currently enrolled 4-H/FFA member in Rio Arriba County show one of the animals. All exhibitors must be present at time of judging. Each exhibitor must show his/her own animal unless he/she has more than one animal in that class or with medical excuse.

7. Animals will have been ear tagged and/or tattooed for identification with an ear tag provided by the Fair Association, Extension Service or State Fair.

9. All livestock in a registered breeding class must have certificate of registration in the name of the exhibitor. The certificate must be checked with the superintendent of this department.

10. A class entry fee will be collected from each livestock entry. The entry will be:

Rabbits:	\$1.00 / class
Poultry:	\$1.00 / class
Lamb:	\$2.00
Goat:	\$2.00
Swine:	\$3.00
Steer:	\$5.00
Heifer:	\$5.00

12. Exhibitors will be assigned stall space by the superintendent of the department. All animals will be kept in assigned stall space throughout the Fair. Stall space must be neatly kept and supplied with fresh bedding.

13. Market animals that do not meet weight requirements for the prospective classes will not be allowed to show for the sale. They may be allowed to show for ribbons only to complete 4-H or FFA projects. Sale of these animals is the responsibility of the owner. The Fair Association assumes no responsibility in the sale of these animals.

14. If an exhibitor will be unable to be present, he/she must make arrangements in advance for the care of his/her animal(s) and give justification for his/her absence.
