With seventeen volunteers, numerous county employees and a handful of extension staff, all working countless hours... It is my pleasure and honor to welcome you and your family to the 2013 Rio Arriba County Fair!!!!

It is a journey that starts with a vision on where we want to be and with a goal to reach. "THE KIDS" is why we give our time and effort into each fair we plan, along with bringing the community together for one of the best events of the year, which showcases what Rio Arriba has to offer. From the indoor exhibits to the livestock exhibits we meet and discuss on what we could do to make each year better. Hundreds of hours go into the planning and organizing of the fair. Although opinions may vary, we move forward toward a common goal. So you may, and will, run across an association member, county agent or a county employee, please take a moment and shake his or her hand, it's been a long road. Without them, all that you see and experience would not be a reality.

Experience the breath taking indoor exhibits; Handmade leather crafts, wood working, welding, tasty delights, along with all the different projects that our FFA and 4-H youth have worked on throughout the year, with the hopes of making it to the next level, Expo New Mexico. And don't forget the canned goods that grandma entered.

Take a walk through the livestock barn where you will see the very best rabbits, chickens, cattle, hogs, lambs, and goats. Have a seat enjoy a show or two; feel a sense of pride when a champion showman is crowned or a grand champion is awarded. See the skills of the county's horsemanship in the arena as exhibitor and horse are put to the test through diverse patterns in quest of a blue ribbon.

Plan a fun family night with our bone crushing bull riding and our dirt stomping family dance! Don't forget to get your buyer number for Saturday nights Junior Livestock Auction that will keep you on the edge of your seat.

In all, enjoy the 2013 Rio Arriba County Fair; it's because of you that we are here. Thank you all for the support, sponsorship, donations and countless hours. "We will see you at the FAIR!!!"

General Fair Rules and Regulations

1. All exhibitors in the 2013 Rio Arriba County Fair are to be Rio Arriba County residents. Any person residing in Rio Arriba County or any youth enrolled in Rio Arriba County 4-H and/or FFA Chapter, regardless of age, color, disability, gender, national origin, race, religion, sexual orientation, or veteran status can exhibit in the Open Division of the Rio Arriba County Fair unless specific department rules allow entries from other counties/states.

2. In a case where no rule appears to cover a situation, the Fair Association will make a rule and define its application for such situations.

3. All NON 4-H/FFA exhibits, contests, awards, advertising, entertainment and other activities related to the Rio Arriba County Fair must have the expressed written authorization of the Rio Arriba County Fair Association.

4. All 4-H/FFA contests, awards, advertising, entertainment and other activities related to the Rio Arriba County Fair should request prior approval from the Rio Arriba County Fair Association.

5. Any person who violates any of the General or Specific Rules will forfeit all entry fees, privileges and premiums and may face expulsion from current and future Rio Arriba County Fairs.

6. The Fair Management will take every precaution for the safety of visitors and exhibits, but assumes no liability for personal injury or for loss or damage to any property of patrons, concessionaire, or exhibitors, due to theft, fire, weather conditions or other causes.

7. Any 4-H/FFA and open indoor exhibitor may choose to sell exhibit(s). The exhibitors must decide on a price and display the price after judging takes place. The exhibitor must handle his or her own sale. All exhibits must remain on display until the release time.

8. Use and possession of liquor and/or illegal drugs of any form will

not be allowed by anyone during, before, or after fair activities. Only county made wines will be allowed as a county fair exhibit.

All Judges and Judging

1. Judging system will be Modified Danish System in all categories including livestock (*The difference between the Danish and Modified Danish system is the degrees of specificity in the number of exhibits distributed between the Blue, Red, White, and no awards groups. In the Danish System exhibits are generally assigned an award based on a numerical score for blue, red, and white ribbons. When the Modified Danish System is employed individual entries or contestants within each group are further ranked in relation to their relative standing within each group giving strict adherence to a standard of characteristics for a blue, red, or white ribbon that is used by the judge*). Awards: Blue, Red, White, Best of Show, Grand Champion Rosette, Reserve Grand Champion Rosette and/or Buckle.

2. In addition to ribbons, trophies will be awarded to High Point 4-H Home Economics, Horticulture, Creative Arts and General Indoor Exhibits in Novice, Junior and Senior Divisions.

3. No person shall act as a judge/superintendent at the Fair in any division in which he or she is a member or his immediate family is an exhibitor.

4. Separate Junior Open and Adult Open designation applies to all lots in Departments J, K, and L.

5. Judges may disqualify or transfer to a correct class, any exhibit that is not truly representative of the class or division.

6. During judging, judges will stress the educational value of the judging process. Judges will be expected, whenever possible and reasonable, to give reasons for their decisions.

7. During adjudication, no person or persons shall be allowed to express positive or negative influence on judges. Violators of this rule shall face immediate exclusion from judging area and entry would face immediate expulsion from the Rio Arriba County Fair and forfeiture of entry fees and premium money.

8. Judges shall sign the award book after verifying the recordings of clerk and superintendents immediately after the close of awards in each class.

9. The decision of the judge is final, allowing only formal appeal as is indicated in the rules following.

Protests and Appeals Judges Decisions

1. Any exhibitor has the right to appeal the decision of a judge if they can show evidence that the award was made in violation of the rules that govern the event, or that there has been misrepresentation, fraud or collusion. All appeals must be made in writing, and filed with the respective County Fair Superintendent immediately. Concern will be brought to the attention of the Fair Association. Selective department rules shall be referenced and govern the event.

2. All disputes not covered by these rules shall be referred to the Rio Arriba County Fair Superintendent.

beef, sheep, swine, goats, llamas, rabbits and poultry. Feed and bedding material for livestock must be furnished by the member who is showing the animal(s). The Rio Arriba County Extension Service reserves the right to refuse entry in future years to an exhibitor who fails to give proper care to his or her animal(s) until released.

If instruction and assistance is required, the exhibitor must be present and involved. If exhibitor has more than one animal in a class, they may have another currently enrolled 4-H/FFA member in Rio Arriba County show one of the animals. All exhibitors must be present at time of judging. Each exhibitor must show his/her own animal unless he/she has more than one animal in that class or with medical excuse.

8. No livestock can be transferred from 4-H club to FFA or vice versa or within family during the feeding period.

9. All Market Steers, Breeding Heifers, Market Lambs, Market Goats and Market Swine to be exhibited must have been declared

via nomination certificate. Failure to declare an animal the required time period before the Fair will result in disqualification at the Fair. Animals will have been ear tagged and/or tattooed for identification with an ear tag provided by the Fair Association, Extension Service or State Fair.

10. All livestock in a registered breeding class must have certificate of registration in the name of the exhibitor. The certificate must be checked with the superintendent of this department.
