Most procurements include three basic steps: developing a request for proposals (RFP), soliciting potential bidders, and evaluating proposals to make awards. The following standards shall be followed when obtaining bids for any goods or services:

The Committee requiring goods or services shall:

- Determine and define what the full and complete specifications are for the products or services requested;
- Determine a clear description of the deliverables to be provided by the supplier.
- Determine an accepted uniform pricing format.

Once the RFP is accepted by the Executive Committee, the RFP(s) can go out to bid to a minimum of three (3) suppliers. The timeframe for which a supplier has to respond is 14 days. All RFP communication will be done formally through the USPS. All submitted RFPs shall be opened in a “public opening” at a regular or special Fair Association meeting. After the RFPs have been opened at a regular or special meeting, they shall then be reviewed by the said committee, and the recommendations will be forwarded on to the Executive Committee for discussion and vote/award.

 3. "Resolution(s)" shall be the proposed written decision by the appropriate fair board Association members or grievance review committee, in response to the grievance.
 4. "Parties in interest" could be the grievant and the Rio Arriba County Fair Association and/or Fair Exhibitors/Guardians, and if necessary, the Rio Arriba Cooperative Extension Service or Rio Arriba County FFA Advisors may be included, depending on the situation whose conduct or actions are the subject of the grievance.
 5. Failure of the grievant to follow the procedure in the succeeding steps as listed below, use of improper petition forms, or use of a bypass procedure through any other means not listed in this process shall render the grievance null and void at the discretion of the Rio Arriba County Fair Association Board of Directors.
 6. Once the grievance has been resolved or rejected, it may not be reinstated by the same grievant.

7. At the discretion of the Lead Superintendent, a grievance may be placed into the grievance process at any step appropriate due to the alleged facts of the grievance or where the level of management would be unable to resolve the grievance.

General Procedure Requirements

- A. A grievance must be initiated at Level I (see below), as provided in Section D, within ten (10) work days of the date upon which the grievant became aware of the circumstances which gave rise to the grievance.
- B. No persons shall suffer retaliation, recrimination, discrimination, harassment, or be otherwise adversely affected because of his or her use of this grievance procedure.
- C. A grievant may terminate the process at any level if he or she indicates in writing a desire to do so, accepts the resolution at that level, or fails to pursue his or her grievance by filing at the next level within the specified time limit.
- D. All grievances shall be submitted in writing to the RACFA Chairman.
- E. The time limits at any level may be extended by mutual agreement between the grievant, on one hand, and the Rio Arriba County Fair Association Board of Directors on the other.
- F. Under this Policy, the grievant has no right to representation at any step of the grievance process. The grievant has no right to electronically record any of the meetings or conferences held under this Policy. The Chairman and/or Executive Committee Directors hearing the grievance at any level may permit at his or her discretion representation of the grievant or permit the electronic recording of the meeting at their respective level of the grievance only.
- G. Except as otherwise provided herein, unless a party can demonstrate prejudice arising from a departure from the procedures established in this policy, such departure shall be presumed to be harmless error.

Procedural Steps

Level I - (*Informal Conference*)

- A. Prior to the filing of a formal written grievance, the grievant shall first discuss his or her grievance with the RACFA Chairman in a good faith attempt to resolve the grievance prior to the filing of a formal grievance. In the case of a claim of sexual harassment in which the grievant indicates the RACFA Chairman is the subject of the claim, the grievant may initiate the grievance at the next level.

Level II – (*Chairman*)

- A. If the grievant is not satisfied with the discussion and disposition of his or her grievance at Level 1, he or she may file a written grievance with the RACFA Chairman. Although no hearing or conference is required at this level, the Chairman shall have the discretion to require a meeting and gather such

evidence prior to the preparation of the decision as he or she, in his or her discretion, feel would assist in any appropriate resolution of the grievance.

1. The meeting, if any, shall be a formal Executive Committee meeting and shall be conducted as the Chairman, in his or her discretion, feels is appropriate for a full understanding of the grievance, the position of the grievant and the evidence supporting that position.

Level III – (*Board of Directors*)

- A. In instances in which determination of the grievance turns upon interpretation or construction, an Association policy or decision, if the grievant is not satisfied with the resolution of the grievance at Level 2 with regard to the specific issues available for Level 3 review, the grievant may make a written request to the Rio Arriba County Fair Association Board of Directors for a meeting within ten (10) work days after the Chairman's resolution was rendered or was due, if none was received.
- B. The Chairman shall schedule an Executive Committee meeting within ten (10) work days of receipt of the grievance. The procedure for the meeting shall be as follows:
 1. Each party in interest to the grievance shall have the opportunity to present oral statements limited to 10 minutes each. The presentation shall be limited to a review of evidence previously presented to the Chairman, unless the Executive Committee in its discretion, allows new evidence to be presented during the meeting. Evidence may not be cross-examined by any other party in interest.
 2. Since grievances are "personnel matters" related to the parties in interest the meeting will be conducted in an executive session, if the grievant so requests and the Executive Committee votes to close the meeting. The Grievant may demand that the meeting is held in open session, in which case the hearing must be open.
 3. The Executive Committee may make such inquiries of any party in interest as it deems necessary or appropriate.
 4. The Executive Committee shall render a written decision within a reasonable time. In arriving at its decision, the Executive Committee has complete discretion in fashioning such relief, if any, as it believes is appropriate, regardless of the relief requested.
